Marshalltown Sales Barn

Marshalltown - - Iowa

Announcement

In this, the 75th and DIAMOND JUBILEE Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association, you will find the largest selection of desirable breeding stock to be offered in any sale of the breed this autumn.

There will be individuals in both sexes that can walk into any ring and make a strong showing, but most of the cattle are in their working clothes, right off good pasture.

The female offering is the largest and strongest that we have ever been able to present for public appraisal.

We have often had larger groups of bulls but intending purchasers will like the quality of those now in offer. There will be at least twenty calves listed with their dams, making an especially attractive investment possible.

Few breed organizations of any sort survive the years to attain the record of seventy-five public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during war or peace.

The very best blood-lines obtainable are included in this catalog and we cordially invite all interested in good cattle to attend this sale.

The footnotes that accompany many of the pedigrees are either supplied by the consignor or compiled from information furnished by him. They will usually be found to be modest and an understatement of the actual quality present.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, October 6th, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should one occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

FIELDMEN—J. E. Halsey of Wallace's Farmer, Clem Larson, National Association, Shorthorn World, Albert J. Hamann.

The \$2000.00 Conners Keystone Guard. Former Ross A. Long herd bull and sire of Lots 1, 2, 3 and 5 in this catalog. His sire was the Perth champion Royal Rothes.

The \$3000.00 Imp. Cruggleton Radiant, present Ross A. Long herd bull. Several heifers carry his service.

Manager's Statement

For a good many years, Ross A. Long has maintained one of the top herds of registered Shorthorn cattle in central Iowa. He has never allowed the price to stand in the way when he found the bull, or cow, which he felt would improve his herd.

As many of you know, his son, Homer, enlisted in the navy and Ross finally felt the burden too heavy and claimed a date for a livestock dispersion, bought a residence property in Grundy Center, and will move to it in the Spring.

However, Homer has now been released from the service and has decided that he would like to operate the farm and continue with the livestock on a modest scale.

Mr. Long's statement follows:

"I have written just one footnote for the royally-bred heifers that we are consigning to the Marshall County sale.

"You have heard many times that the pure-bred cattle business was "quite a game". I would like to say that with me its a business; a business that requires a lot of thinking and planning and the whole matter is this: it all depends on what kind of cattle you are satisfied to live with.

"As the herd increases in value and in merit the more difficult it is to secure a herd sire that will make further improvement.

"As you know, I had planned on selling all of the cattle, as I am retiring from the farm, but as the time drew near for making the sale arrangements it just didn't suit.

"If interested in good cattle; cattle that are bred right and have been well cared for, I ask that you study the pedigrees that follow. Please note the Perth champions and International winners that appear there. The Rothes Mayflower heifer has been in calf since June 21st and three of the other heifers will be bred before sale day; the others will be open.

"All of these heifers are dark-colored; they are as good individually as their breeding and we actually do believe that they will please. All will be in good condition, having had the very best of pasture all summer. Like all others in this auction, they are T-B and Bangs tested."

It isn't very often we consider selling a heifer of this type and quality, but are offering her as an attraction, showing the kind of calves you can expect from the service of Moray Research. We don't believe there are many herds of Shorthorns in Iowa, but what couldn't use a heifer of this kind. Picture above. Sells open.

Marr Lady is a good beefy type cow, and a regular producer. Bang's vaccinated.
Bred Jan. 27th to Sunray's Spotlight.

Imp. Propaganda Bearer as a senior yearling.
Sire of the entire E. L. Williams consignment.

The following seven pedigrees are representative of the famous blood-lines found in the E. L. Williams herd.

Mr. Williams has been a consignor to the Marshalltown sales for many years and buyers have found that females purchased from him always go on and improve and often prove to be the top producers in the herds to which they go.

As usual, this consignment will be only in moderate condition, but in quality and value it is, no doubt, equal or superior to any previous consignment and deserves careful inspection.

EDELLYN NATIONAL LEADER, DAVIS BROS. HERD BULL

Edellyn National Leader was bred in the world-famous herd of Thomas E. Wilson, sired by the great stock bull Saltoun Squadron Leader. His get have demonstrated the value of these blood-lines and the four open heifers, whose pedigrees follow, bear further testimony to his worth as a sire. They were pre-tested and calfhood vaccinated for Bangs.

P F Commodore 7th is a tried herd sire, worthy of your careful consideration. He is a dark red, good headed, mellow hided, thick fleshed bull, presented in useful breeding condition, after having run all summer in the pasture with the cow herd. This bull was the top selling bull in the Kardel-Penningroth-Reed sale two years ago, and is a full brother to the top selling bull in the 1949 Iowa State Sale, purchased by Judge Tedford Miles at \$1,000.00 to head his herd at Corydon, Iowa. P F Commodore 7th is very sure and has sired us uniform, dark colored calves.

No, we have not gone into Polled Shorthorns but we thought this good medium roan bull had some outcome and we are offering him in this sale as he is ready for service. Here is a 15-months-old bull weighing 1200 lbs. and with plenty of bone, and we have tried him and have a cow bred to him. Look him over.
